

## VINTNERS GOLF AND SOCIAL CLUB'S NEWSLETTER #12

There were fifty-six members participating in point event #12 on Sunday, August 29<sup>th</sup> at 7:30 am. The course was in great shape and the weather could not have been any better. The greens are getting faster and faster with challenging hole locations being the theme of the day. The Tri-Tip lunch afterwards was pretty darn good also. Our club just came off playing a 12 person challenge match against Napa Golf Course men's club on Sunday, August 22<sup>nd</sup> at Kennedy Park and then at Vintner's Golf Club on Saturday, August 28<sup>th</sup>. Our club won the challenge matches 20 points to 16 points. The match was a lot of fun and we appreciate Napa Golf Course's men's club participation. We plan on having a gross challenge on both Kennedy Park's golf course and Vintner's Golf Club's course later this year to find out who is the best golfer in a medal play 36-hole format.

In point event #12, Loraine Fuqua busted out of her VGSC slump by shooting an 87 or net 62. Loraine won the second flight by making pars on hole 8 and 17 and did not have a 7 on her card. In second place in the second flight were Leon Ines and Dave Brotemarkle who shot net 63's. Leon got the short end of the stick starting on hole 4, but took the challenge made his par and ended up richer for it. Dave started on hole number 8 and promptly made two pars and a birdie on his first four holes on his way to a natural 80. In fourth place Rob Gulbransen shot an 84 or net 64 putting a big smile on his face and moving him up the VGSC player of the year point list from 15<sup>th</sup> to 9<sup>th</sup>. Dwight Jensen made a run at the second trimester's point title by shooting a net 65, but came up just a little short. Tom Edwards shot net 65, made \$19 in gift cards and beat all his buddies along the way. John Carillo shot net 66 and made \$15 coming in a tie for seventh in the second flight. Mark Twitchel shot net 66, won \$15 and survived a two stroke penalty for hitting the wrong ball.

In the first flight, Larry Gomez shot a 71 or net 64 and has been a gentleman in his Brett Favre like streak of VGSC events. Jan Jakovac shot the low round of the tournament with a four-under par 64 (net 65) coming in second in the first flight. Jan's round included some nicely holed putts and this gym rat must throw up a 100 putts a day on our practice green.....it is nice to see practice pay off. This plus one handicap (325.5) won the point race in the second trimester (free month of golf) with his five birdie and one bogey round finish. He needed every putt he made beating out Bob Yanover (322) by two and a half points. Also narrowly missing out on that free month of golf was Sean Murray (313), Aiden Andrade (305) and Dwight Jensen (305) who finished third to fifth in the second trimester point race. In third place in the first flight was Brian Stegner our 2009 Net Match Play Champion or "CHAMP" for short. Gene Duffy, Jim Forbes and Sean Murray tied for fourth place with net 67's. The Duff man was back in the saddle again making every putt he hit the whole day. Although Duff had a triple double finish his 75 lapped good buddy JD McSwain which must have been pretty sweet. Jim Forbes kept his solid VGSC rounds going firing a natural 72. Sean Murray helped fuel our club against Kennedy on Saturday with a natural 67 and his match up against James Trumble will test his bullying powers. Edgar Sandoval and Pete Jerich shot net 68's earning \$19 in gift cards. Pete Jerich's natural 69 is no surprise and his first round match up versus Dan Sakai should be something special. Edgar also helped our club beat the boys across the tracks with some fine play.

Our next event will be point event #13 which is the first point event in our third trimester. The tee of will be 7:30 am on Sunday, September 19<sup>th</sup> and will be an individual low net format. Our last trimester has six events in it and gives the rest of the VGSC year a good look.
